# *Alameda/Oakland Ferry Service Fare Changes to Comply with FTA Requirements*

## Federal Transit Administration Half-Fare Policy:

FTA requires transit operators to offer patrons 65 years of age and older, persons with disabilities, and Medicare card holders fares not more than 50% of the base fare on all scheduled services with the exception of commuter services that only operate during peak hours, or services that only operate in off-peak hours.

## Changes required to comply with FTA's Half-Fare Policy:

<u>Alameda to San Francisco</u>	<u>Current Fare</u>	<u>Proposed Fare</u>
Senior/Disabled	\$3.75	\$3.10
Senior/Disabled Short Hop	\$1.50	\$0.75

# *Alameda/Oakland Ferry Service Changes to Special Service Fares*

## Port of San Francisco's Increased Fees at AT&T Park:

The Port of San Francisco increased landing fees and establish a per passenger fee of \$0.25 to embark and debark at AT&T Park on December 14, 2010. To keep special service to AT&T park cost neutral, and not financially impact ability to provide regular commuter service to San Francisco, WETA is proposing to increase fares to AT&T park by \$0.25 per one-way ticket.
